Attached is a Headquarters Notice for DCI signature establishing an Agency Civilian Reserve Program. You may want to brief him orally so that he knows what he is signing.

I further suggest you might orally brief the DD's at the Ex Dir meeting before giving this to DCI, thereby ensuring that the DD's are on board. A formal memorandum to them seems needlessly bureaucratic.

PRESIDENT'S FOREIGN INTELLIGENCE ADVISORY BOARD 83-4866

November 10, 1983

ILLEGIB

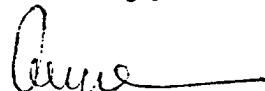

Dear Bill:

Thank you for joining the Board for what I think was a most informative and productive session during our November meeting.

I would also like to express the Board's appreciation for your prompt action in establishing the Agency Civilian Reserve Program. It's obvious that a great deal of thought and consideration has gone into the program and we believe there is a great potential for success. The goal of establishing a program to "meet the personnel needs of the Agency in the event of a national emergency or other high priority augmentation requirements" strikes the Board as being right on target.

I have reviewed the plan with Jack Schmitt and he is happy to join me in congratulating you for undertaking the reserve program. We will look forward to hearing more about the program as it undergoes implementation.

Sincerely,

Anne Armstrong
Chairman
